

# The Feel Good Guide to Prosperity

## Developing An Attractive Attitude

Develop a more attractive attitude. What's one area of your life that isn't going as well as you would like? Lack of money? A job you don't like? "Unlucky" at love?

Pick one area, and choose to have a positive attitude about it. I'm not saying you should be thrilled you have no money. See if you can find 100 things about your current situation that are working. Write them in your journal (or below) and read them when you need a good reminder.
